Summary:

John Adams by David McCullough is a biography of the second president of the United States. The book begins with a brief overview of Adams's life, from his birth in 1735 to his death in 1826. It then moves on to a more detailed examination of his life, focusing on his political career and his role in the American Revolution. Adams was a key figure in the Revolution, serving as a delegate to the Continental Congress and helping to draft the Declaration of Independence. He was also a major proponent of the Constitution and the Bill of Rights. After the Revolution, Adams served as the first Vice President and then as the second President of the United States. The book also covers his

later years, including his retirement and his death. Throughout the book, McCullough paints a vivid portrait of Adams's life and times, highlighting his courage, intelligence, and dedication to the cause of American independence. He also examines Adams's relationships with his family, friends, and political rivals, and his legacy as one of the Founding Fathers of the United States.

John Adams is a comprehensive and engaging biography of one of the most important figures in American history. McCullough's vivid writing style brings Adams's life and times to life, and his detailed research provides a thorough examination of Adams's life and legacy. The book is an invaluable resource for anyone interested in learning more about the Founding Fathers and the American Revolution.
