Summary:

Wild: From Lost to Found on the Pacific Crest Trail is a memoir by Cheryl Strayed. The book chronicles Strayed's 1,100-mile solo hike on the Pacific Crest Trail in 1995, which she undertook as a way to cope with the recent death of her mother and the dissolution of her marriage. The book follows Strayed's journey as she hikes through California, Oregon, and Washington, and reflects on her life and the events that led her to the trail.

The book begins with Strayed's decision to hike the Pacific Crest Trail, a journey she had dreamed of since she was a child. She had no prior experience with long-distance hiking, and was ill-prepared for the journey. She was also struggling with grief and guilt over her mother's death and her own mistakes. Despite her lack of experience and emotional turmoil, Strayed sets out on the trail, determined to complete her journey.

As she hikes, Strayed reflects on her life and the events that led her to the trail. She recounts her childhood in Minnesota, her mother's death from cancer, and her subsequent descent into drug use and promiscuity. She also reflects on her relationships with her family and friends, and the mistakes she has made. Through her reflections, Strayed comes to terms with her grief and guilt, and finds a sense of peace and acceptance.

Strayed's journey is not without its hardships. She encounters physical and emotional challenges, including blisters, hunger, and loneliness. She also encounters a variety of people on the trail, some of whom help her and some of whom hinder her progress. Despite the hardships, Strayed perseveres and eventually completes her journey.

Wild is an inspiring story of resilience and self-discovery. Through her journey, Strayed finds the strength to confront her past and move forward with her life. The book is a testament to the power of the human spirit and the healing power of nature.
