Summary:

The Autobiography of an Unknown Indian is a 1951 autobiography by Nirad C. Chaudhuri. It is a memoir of his life, from his childhood in a small village in Bengal to his adulthood in Calcutta and London. The book is divided into three parts, each of which covers a different period of his life.

The first part of the book covers Chaudhuri's childhood and early education in Bengal. He recounts his experiences growing up in a traditional Hindu family, and his struggles to reconcile his traditional upbringing with the modern world. He also describes his experiences with the British Raj, and his encounters with British culture and education.

The second part of the book covers Chaudhuri's time in Calcutta, where he studied English literature and worked as a journalist. He recounts his experiences with the Bengali intelligentsia, and his encounters with the Indian independence movement. He also describes his travels to other parts of India, and his encounters with different cultures and religions.

The third part of the book covers Chaudhuri's time in London, where he studied at the School of Oriental and African Studies. He recounts his experiences with the British academic world, and his encounters with the Indian diaspora in London. He also describes his travels to other parts of Europe, and his encounters with different cultures and religions.

The Autobiography of an Unknown Indian is a fascinating and insightful look into the life of a man who lived through a period of great change in India. It is a vivid and detailed account of Chaudhuri's life, and his struggles to reconcile his traditional upbringing with the modern world. It is an important work of Indian literature, and a must-read for anyone interested in Indian history and culture.
